

INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF AL ANWAR HOLDINGS SAOG

Report on the audit of the consolidated financial statements

Opinion

We have audited the consolidated financial statements of Al Anwar Holdings SAOG and its subsidiaries (the "Group"), which comprise the consolidated statement of financial position as at 31 March 2019, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at 31 March 2019 and its consolidated financial performance and consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the consolidated financial statements* section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* (IESBA Code) together with the ethical requirements that are relevant to our audit of the consolidated financial statements in the Sultanate of Oman, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the *Auditor's responsibilities for the audit of the financial statements* section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Key audit matters (continued)

Key audit matter	How our audit addressed the key audit matters
<p>Accounting for equity accounted investments The Group holds significant equity investments accounted for in terms of IAS 28, "Investments in associates and joint ventures".</p> <p>The equity accounted investments do not all have year-ends that are coterminous with that of the Group, and the Group's accounting policy is to account for an appropriate lag period in reporting on their results. Any significant transactions that occur between the equity - accounted investments year - end and 31 March (the Group's year - end) are taken into account in the equity-accounted results of the equity accounted investment.</p> <p>Accounting for equity accounted investments is a matter of most significance due to the significant contribution of the associate investments to the consolidated results of the Group, the impact these have on the Group's results and the fact that the investments have year - ends that are not coterminous with that of the Group.</p>	<p>We issued audit instructions to the component auditors of the significant equity accounted investments. The instructions covered the significant audit areas that the component auditors should focus on, as well as the information required to be reported back to the Group audit team. Throughout the audit, various planning, execution and completion calls and discussions were held with the component auditors of the significant equity accounted investment components. We assessed the competence, knowledge and experience of our component audit teams, and performed a review of significant audit areas to assess the adequacy of the procedures performed in pursuit of our audit opinion.</p> <p>We obtained the equity accounted results and movements recorded by the Group and agreed them to the audited financial results of the underlying equity accounted investments. We also re-performed manual calculations, including lag period adjustments prepared by management where required to test the equity accounted results are accurate, complete and in line with IFRS.</p> <p>We understood the management's process and independently assessed the accounting policies of the associates to that of the Group to ensure consistency with the Group accounting policies and compliance with IFRS.</p>

Other information included in the Group's 2019 Annual Report

Those charged with governance and management are responsible for the other information. Other information consists of the information included in the Group's 2019 Annual Report other than the consolidated financial statements and our auditor's report thereon. We obtained the following information prior to the date of our auditor's report, and we expect to obtain the published 2019 Annual Report after the date of our auditor's report:

- Chairman's report
- Corporate governance report
- Management discussion and analysis

Our opinion on the consolidated financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of the auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the consolidated financial statements

Those charged with governance are responsible for the preparation and fair presentation of the consolidated financial statements in accordance with IFRS and the relevant requirements of the Commercial Companies Law of 1974, as amended, and the Capital Market Authority ("the CMA") of the Sultanate of Oman, and for such internal control as those charged with governance determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, those charged with governance are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless those charged with governance either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Report on the audit of the consolidated financial statements (continued)

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of those charged with governance's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

**INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF
AL ANWAR HOLDINGS SAOG (CONTINUED)**

Report on the audit of the consolidated financial statements (continued)

Auditor's responsibilities for the audit of the consolidated financial statements (continued)

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

In our opinion, the consolidated financial statements comply, in all material respects, with the relevant requirements of the Commercial Companies Law of 1974, as amended, and the CMA of the Sultanate of Oman.
